Oversight Hearing to Examine Potential Link between USDA Policy and Herbicide-Resistant Superweeds

Washington D.C. -- Chairman Dennis Kucinich (D-OH) today announced a Domestic Policy Subcommittee hearing entitled "Are Superweeds an Outgrowth of USDA Biotech Policy." The hearing will be held at 2:00 p.m. on Wednesday, July 28, 2010 in room 2154 Rayburn House Office Building.

The hearing will evaluate USDA biotechnology regulatory policy, with particular respect to genetically engineered, herbicide-resistant crops and the environmental impact of the evolution of herbicide-resistant weeds.
